STUDENT CODE OF CONDUCT

I. INTRODUCTION

A. Purpose – The freedom of individuals to inquire, study, evaluate, and gain new understanding and maturity is essential and must be protected against suppression. Dissent plays a vital part in the role of the University. However, freedoms cannot be protected or exercised in a university that lacks order and stability. Students at New Mexico State University main campus and branch campuses at Alamogordo, Carlsbad, Dona Ana, and Grants have an obligation to uphold the laws of the larger community of which they are a part.

The intent of this Code is to ensure that students at the University neither lose their rights nor escape the responsibility of citizenship. While the activities covered by the laws of the larger community and those covered by NMSU’s rules may overlap, it is important to note that the community’s laws and NMSU’s rules operate independently and therefore do not substitute for each other. NMSU may pursue enforcement of its own rules whether or not legal proceedings are underway or in prospect, and may use information from third party sources (such as law enforcement agencies and the courts) to determine whether University rules have been broken. Membership in the NMSU community does not exempt anyone from local, state or federal laws, but rather imposes the additional obligation to abide by all of NMSU’s regulations. It is the personal responsibility of every member of the campus community not only to protect his/her own rights, but to respect the rights of others, and to behave in a manner conducive to learning and/or living in an educational environment.

Just as individuals within the community have a responsibility to adhere to a code of prescribed behavior, the institution assumes the obligation of clearly codifying and fairly enforcing the same. New Mexico State University upholds the belief that those who do not conform to established standards set forth in this Code of Conduct must be held accountable for their actions. Therefore, the purpose of the Code of Conduct is to inform the student body of the rules and regulations that are essential to the normal operation of this University.

B. Definition of Student – For the purpose of application of this Code of Conduct, “student” means any person enrolled at New Mexico State University, which includes the main campus and all branch campuses, and any person who resides in New Mexico State University on-campus housing facilities. Persons who are not officially enrolled for a particular term but who have a continuing relationship with New Mexico State University are considered “students.” Students who violate the Code of Conduct can expect prompt and deliberate adjudication, whether or not they choose to be present, or remain at the University. Furthermore, if a decision has been made within the disciplinary process which impacts a person, who is not currently enrolled, he/she still remains subject to the determination upon re-enrollment.

C. Students/Student Organization Rights and Responsibilities – By enrolling at New Mexico State University, a student accepts responsibility for compliance with all local, state and federal laws, and University regulations, while retaining the rights guaranteed under the Constitution of the United States. A student or student organization alleged to have engaged in any misconduct shall have the right of due process and appeal as delineated in this Code and it is each student’s/student organization’s responsibility to represent themselves in this educational administrative process. This is not a criminal process, and the University is not bound by the rules of evidence normally used in cases brought before the State or Federal judicial systems. The standard of proof will be “preponderance” not “beyond a reasonable doubt.” The University expects all students to show New Mexico State Student Code of Conduct respect for the rights of others and for authority, to protect private and public property, to execute contractual obligations, and to take responsibility for their own actions and the actions of their guests.

D. Student Organizations – A student organization, its officers and members may be held collectively and individually responsible when violations of this Code, by those associated with the organization, occur and such violations are authorized, encouraged, directed, tolerated, supported by, or committed on behalf of the organization.
II. ADMINISTRATION OF DISCIPLINE

The responsibility of administering the discipline system is delegated by the President of the University to the Vice President for Student Success for nonacademic discipline and to the Executive Vice President and Provost for academic discipline. In turn, these individuals may delegate authority to other groups or individuals for handling violations of the Student Code of Conduct. All activities shall be monitored by a central administrative authority to ensure fairness and consistency. All discipline sanctions imposed campus-wide will be reported to the Coordinator of Student Judicial Services for record-keeping purposes.

The University attempts to handle discipline matters at the lowest possible level by recognizing a variety of hearing officers. Each Hearing Officer is a University Official who is an administrator, faculty member, graduate assistant, or staff member. Hearing Officers adjudicate cases when violations are alleged. The Hearing Officer is authorized to exercise active control over the proceedings in order to elicit relevant information, to avoid needless consumption of time, and to prevent the harassment or intimidation of witnesses.

Disciplinary regulations at New Mexico State University are set forth in writing in order to give students general notice of prohibited conduct. These rules and regulations should be read broadly and are not designed to define prohibited conduct in exhaustive terms. It is recognized by New Mexico State University that students are adults and are expected to obey the law and take personal responsibility for their conduct. A student is therefore subject to two sources of authority, civil criminal authority and University authority.

Violation of any municipal ordinance, law or regulation of the State of New Mexico, or law or regulation of the United States which may cause harm or endangerment to self or others, or somehow compromises the educational mission of the University, may result in disciplinary action. The University does not normally take disciplinary action for off-campus violations, but it retains the right to act in special cases. Disciplinary action imposed by New Mexico State University may precede, and be in addition to, any penalty that might be imposed by an off-campus authority.

When accused of a violation, the student has the right to review the evidence against him or her, but this does not necessarily mean the right to confront a witness. Attorneys will not be allowed to attend or participate in hearings.

The procedures to be followed in matters of academic and nonacademic misconduct differ and are outlined in the following sections. In exceptional cases of academic misconduct, the “Procedures for Dealing with Cases which May Result in Expulsion or Degree Revocation” will be followed instead, and are located in the Administrative Policy and Procedures Manual or may be obtained in the Office of the Vice President for Student Success.

III. ACADEMIC MISCONDUCT

A. Persons and/or groups involved in Academic Discipline Cases

Vice President for Academic Affairs – When an academic violation occurs, the Vice President for Academic Affairs (or a designee) will dispose of any violations referred or appealed to the Vice President for Academic Affairs.

Academic Appeals Board – Within each undergraduate college of the University, a student appeals board shall be established for each academic year as a standing committee consisting of three (3) faculty members and two (2) students to be appointed by the Vice President for Academic Affairs. In some cases, the Vice President for Academic Affairs may convene the Academic Appeals Board and solicit its recommendation.

The decision of the Vice President for Academic Affairs is final and will be reported to all parties concerned within three (3) working days under the general process and ten (10) working days in special graduate cases.

B. Academic Misconduct – Any student found guilty of academic misconduct shall be subject to disciplinary action. Academic misconduct includes, but is not limited to, the following actions:

1. Cheating or knowingly assisting another student in committing an act of cheating or other forms of academic dishonesty.
2. Plagiarism is using another person’s work without acknowledgment, making it appear to be one’s own. Any ideas, words, pictures, or other source must be acknowledged in a citation that gives credit to the source. This is true no matter where the material
comes from, including the internet, other student’s work, unpublished materials, or oral sources. Intentional and unintentional instances of plagiarism are considered instances of academic misconduct. It is the responsibility of the student submitting the work in question to know, understand, and comply with this policy. If no citation is given, then borrowing any of the following would be an example of plagiarism:

- An idea or opinion, even when put into one’s own words (paraphrase)
- A few well-said words, if these are a unique insight
- Many words, even if one changes most of them
- Materials assembled by others, for instance quotes or a bibliography
- An argument
- A pattern of idea
- Graphs, pictures, or other illustrations
- Facts
- All or part of an existing paper or other resource

This list is not meant to include all possible examples of plagiarism. See the University Library’s web page on plagiarism for further examples.

4. Unauthorized changing of grades on an examination, in an instructor’s grade book, or on a grade report; or unauthorized access to academic computer records.

Such students are also subject to administrative actions in accordance with the NMSU Graduate and Undergraduate Catalogs.

3. Appeal Process
   - All possible levels of appeal should be exhausted before a case reaches a course Division Head. The student must always be told the next level of appeal.
   a. A student who wishes to appeal an instructor’s decision may do so by writing to the course Division Head (Vice President for Academic Affairs if instructor is also Division Head) within five (5) working days. c) Specific evidence presented at the hearing is objectionable. Reason for the objection must be stated, i.e., why evidence should not be considered.

d) Evidence not offered during the hearing is now available. Reason why the evidence was not offered during the hearing must be stated.

e) The sanction imposed is excessive or inappropriate. Reasons for believing this must be stated.

3) If warranted, the Vice President for Academic Affairs shall convene the Academic Appeals Board to solicit its recommendation before making a decision.

a. The highest level of appeal for academic misconduct is the President whose decision is final.

**DRUG FREE WORKPLACE, DRUG FREE SCHOOLS AND COMMUNITIES ACT, AND DRUG FREE WORKFORCE RULES***

**STANDARDS OF CONDUCT**

Students of New Mexico State University are considered a valuable asset, and their health and welfare are of serious concern. The University strives to maintain a safe and productive environment free from the influence of illicit drugs and unlawful use of alcohol. As a recipient of federal funds, the University is obligated to inform all students that the unlawful possession, use, or distribution of illicit drugs and alcohol on its property or as part of any of its activities is prohibited, and is a violation of University policy. University property is defined as all lands and buildings under the control of the Board of Regents, New Mexico State University. Students who violate this prohibition will be subject to appropriate disciplinary action, which may include termination of employment or expulsion from school. It is also a federal requirement and a University policy that, as a condition of employment, any student will notify his or her immediate supervisor within five (5) days after conviction of a criminal drug offense occurring in the workplace. In addition to the information provided in this Handbook, drug and alcohol policies and sanctions are discussed at New Student Orientation.

**HEALTH RISKS**

A chart outlining the risk of physical and/or psychological dependence on controlled substances and the effects of use, overdose, and withdrawal is available online at http://nmsua.edu. The University is required to inform students concerning these health risks.

Alcohol is also a drug, and students need to be aware of the health risks involved in using alcohol. In large doses, alcohol can dull sensation and impair muscular coordination, memory and judgment. Taken in large quantities over a long period of time, alcohol can damage the liver and heart and can cause permanent brain damage. Dependence on alcohol can be psychological when the drinker uses alcohol to escape from stress. A pattern of repeated heavy drinking produces a condition in which the body needs alcohol to function, and can lead to physical dependence.

Alcohol can kill. A large dose consumed at once can interfere with the part of the brain that controls breathing. The respiratory failure which results can bring death. Delirium tremens, the most extreme manifestation of alcohol withdrawal, can also cause death. Pregnant women who drink alcohol risk delivering babies stillborn or with serious abnormalities. Approximately half of the deaths from car accidents each year in the United States are related to alcohol abuse.

**AVAILABLE DRUG OR ALCOHOL COUNSELING, TREATMENT, REHABILITATION, AND RE-ENTRY PROGRAMS**

Any student who may have a drug or alcohol problem is encouraged to obtain confidential and voluntary counseling and/or treatment. In Alamogordo there are several resources for help; Otero County Council on Alcohol Abuse and Alcoholism. The Counseling Center, and Alamogordo Mental Health Services. Counseling and referral services are also available on campus. Students should contact Advising and Career Center at 439-3720 for information and confidential referral.

When a student or employee requires extended treatment and rehabilitation for a drug or alcohol problem, the counseling services on-campus will arrange a referral to an appropriate treatment program. In-patient treatment facilities in the area are:
Otero County Council on Alcohol Abuse and Alcoholism. Several support groups are also available in Alamogordo, including Alcoholics Anonymous, Al-ANON, Narcotics Anonymous and Co-Dependent Anonymous.

Any student who has been dismissed or suspended for drug or alcohol violations and who has evidence of successful rehabilitation may petition for readmission to the University upon recommendation from relevant psychological or psychiatric professionals. Students who voluntarily seek treatment for drug or alcohol violations before disciplinary action, and students who are readmitted to the University after rehabilitation, may be assessed and receive after care counseling at the Student Counseling Center or be referred to an appropriate community resource.

DISCIPLINARY SANCTIONS FOR STUDENTS

For possible sanctions that may be imposed upon an individual student for violation of the University’s alcohol or drug policies, refer to the Student Code of Conduct, Section V.A. Items 1-4.

The fine for possession of LSD and amphetamines is $1,000 and the prison sentence is up to 1 year. Trafficking in LSD and amphetamines carries a fine of $5,000 and a prison sentence of 3 years.

Alcohol abuse is subject to penalties specified by the Liquor Control Act. A driving while under the influence (DWI) conviction can result in a fine up to $300, and/or imprisonment up to 7 months, and/or prosecution for vehicular homicide, and/or license revocation and vehicle impoundment.

DRUG POLICIES AND PROGRAMS

The University attempts by various means to provide the University community with a basic knowledge and awareness of drug abuse, and to disseminate the results of current research on the effects of drug use. It continues to explore the availability of outside funding to support these additional activities in drug education, health, and rehabilitation, and its discipline and law enforcement.

EDUCATIONAL PROGRAMS

The University actively encourages students to learn about the physiological, psychological, social, and legal implications of alcohol and drug use and abuse. The Office of Student Services can provide the names of various resources who are available to talk with groups or individuals seeking information (Contact the Vice President for Student Success at 439-3716).

To ensure that students receive the best help and information, involved personnel are encouraged to participate in seminars, workshops, and conferences to learn the latest approaches to drug education and the newest information available regarding alcohol/drug use and abuse.

Recognizing that the social environment changes rapidly, the University invites students to offer suggestions pertaining to
their needs in the area of drug and alcohol education to the Vice President for Student Success.

DISCIPLINE AND LAW ENFORCEMENT

The University recognizes that many behaviors are restricted by state and federal laws. The basic premise of University discipline is to provide regulations for students in keeping with the laws of the State of New Mexico and the United States of America as well as to maintain an environment maximally conducive to education. While the University does not normally take disciplinary action for off-campus violations, it retains the right to act in special cases. With reference to drug violations, an individual apprehended for drug abuse off-campus is subject to civil proceedings and is not usually addressed through the University discipline system unless the off-campus actions impact the campus community. As a property owner, the University has the right to prohibit behaviors on that property that may not be restricted in other environments. This is especially relevant for housing regulations. Students who reside on University property, by doing so, consent to University housing regulations. As long as they reside in University housing, they are subject to University discipline.

A. Amnesty

Any student drug user who, prior to apprehension, voluntarily directs a request for rehabilitation to any University official, including the University Police, will be referred to the proper rehabilitation agency or medical authorities. The case will be kept strictly confidential, and no disciplinary or criminal action will be taken as long as the student upholds the agreement for rehabilitation and refrains from any other possession or use of illegal substances on-campus.

B. Penalties for Drug Violation

1. First offense for usage, possession, or accessory to a drug violation.
   a. If found guilty, or guilt is admitted (not relating to amnesty as defined above) for a violation of a law of the State of New Mexico or University regulation relating to one ounce or less of marijuana, the penalty may be as much as disciplinary probation or suspension.
   b. Guilty - If found guilty, or guilt is admitted (not relating to amnesty as defined above) for violation of a law of the State of New Mexico or University regulation relating to narcotic drugs, marijuana (over one ounce), depressants, or other illegal drugs, the penalty may be as much as disciplinary suspension, dismissal, or expulsion.

2. If guilt is proven or admitted for selling, processing, delivering, compounding, or dispensing in any manner marijuana or any other dangerous narcotic, depressant, stimulant or hallucinogenic drugs, the student will be subject to penalties up to and including expulsion on the first offense.

3. A student who admits guilt, or is found guilty of a second drug offense, may be subject to penalties up to and including expulsion.

4. Any student who has been suspended or dismissed for drug violations, and has evidence of successful rehabilitation, may petition for readmission to the University upon recommendation from relevant psychological or psychiatric professionals.

C. Exclusion from Campus

Students suspended, dismissed or expelled from the University for drug violations, or those convicted of drug violations off-campus who persist in returning onto campus, will be subject to such legal procedures as deemed necessary to bar such entry, when probable cause of further violations of University regulations can be shown.

FIREARMS POLICY

The possession and carrying of firearms, loaded or unloaded, is restricted on all lands under the control of the Board of Regents, New Mexico State University, except in the following cases: certified New Mexico Peace Officers engaged in the official performance of their assigned duties; approved University experiments and/or projects; transporting of firearms to and from a place of storage; ROTC, under the direction of the Dean of the College of Arts and Sciences; other approved academic use, or as otherwise allowed by 30-7-1-2.4 NMSA 1994, et seq. All requests, exceptions, and interpretations of this policy will be managed by the Chief of Police. The decision of the Chief of Police may be appealed to the Senior Vice President for Planning, Physical Resources & University Relations. The decision of the Senior Vice President for Planning, Physical
Resources & University Relations in these matters shall be final.

DISCIPLINE RELATED POLICIES AND PROCEDURES PROHIBITION OF STUDENT HAZING

NMSU promotes a safe environment where students may participate in University sponsored activities, and other organizations without compromising their health, safety, or wellness. It is therefore the University’s policy that any form of hazing is prohibited.

MENTAL HEALTH POLICY

The staff and faculty of New Mexico State University are concerned about the health and well-being of students. Occasionally, students are confronted by illnesses that interfere with their academic progress. In such situations, withdrawal from the University setting may be in the best interest of all concerned. Guidelines for the Administration of Psychiatric Withdrawals under the Mental Health Policy are available in the office of the Vice President for Student Success, Student Services Building, Room 203.

PROHIBITED ACCESS POLICY

The following individuals may be prohibited from entering upon land or buildings owned or used by the Regents of New Mexico State University, its colleges, departments, branches, experiment stations, ranches, and all property owned or occupied by agencies supervised by the Regents:
A. Persons charged with criminal acts against the Regents or NMSU students or employees during the pendency of such criminal charges.
B. Persons found guilty by a court of competent jurisdiction of criminal acts against the Regents or NMSU students or employees.
C. Any individual whose presence on-campus constitutes a clear and present danger to the persons, property, or peace of the Regents, or NMSU students, employees or agents (contractors).
D. Any individual whose presence on-campus, given all attendant circumstances, could reasonably cause injury against the persons or property of the Regents or NMSU students or employees.
E. Any individual ordered withdrawn under the Medical/Psychiatric Withdrawal Policy of the University.

In order to be prohibited from use of University lands and buildings, individuals must be notified in writing of the prohibition by the President or a designee. Notice may be made personally or by certified mail. Individuals so notified shall be immediately barred subject to the right to request a hearing within three (3) days of the service of notification or within six (6) days of the date of mailing the certified letter. Extension of time will be given to the next business day for any day that occurs on a weekend or a holiday as established by New Mexico State University.

Appeals shall be made by giving a written notice to the President of intent to appeal. Hearing on the appeal shall be within seven days from the receipt of the notice of appeal. Neither the individual prohibited nor the University shall be represented at the hearing by legal counsel. The hearing need not conform to the strict rules of legal evidence. In the event that the Vice President for Student Success or his/her designee reverses the prohibition, the individual shall be immediately entitled to enter upon University land or property. In the event that the President or his/her designee affirms the decision, the individual’s prohibition shall continue. The decision of the President or his/her designee is final.

Under most circumstances, prohibitions under this policy will be for one year or less. When the prohibition is indefinite, the affected individual may petition for the removal of the prohibition after one calendar year by submitting a written request to the Vice President for Student Success. With respect to individuals convicted of criminal acts against the University, its students, or employees, the one year shall commence to run at the time the individual is released from incarceration resulting from the conviction.

Any violation of such prohibition may result in legal action by the Regents against the individual, including such criminal charges as may be appropriate under the circumstances, including criminal trespass.

RESTRICTIVE ACCESS POLICY

New Mexico State University serves the people of New Mexico through education, research, extension education, and public
service and welcomes all within our community. However, in order to establish an appropriate environment and preserve University property for educational purposes, the University reserves the right to restrict access to some of its lands and facilities. Academic spaces are generally used for educational purposes only, and buildings which serve as residences for students are restricted to students, their guests, and appropriate University employees. While some other University facilities and grounds are available to the general public, they must be used according to University rules and regulations. No individual(s), except for those contracted to reside on-campus, shall temporarily or permanently remain overnight on the property of the Regents, or dwell on the property of the Regents, including but not limited to, in motor vehicles, or in temporary or permanent structures, without the specific prior approval of the President.

Members of the campus community, as well as visitors, are expected to behave in ways that do not interfere with the rights of others to pursue an education or disrupt community living on-campus. Behaviors of any individuals that interfere with, disrupt, impair or obstruct the processes, procedures, or functions of the University, are prohibited.

Failure to comply with this policy could subject the individual to warning, probation, removal from the campus, arrest, barring from the campus, or any other sanctions applicable under the Student Code of Conduct, University Personnel Policies, or state or federal laws. Actions taken under this policy will be initiated by the appropriate Campus Administrator. Contested administrative actions may be appealed in writing to the Office of the President within three (3) working days after receipt of the decision made by the appropriate Campus Administrator. The decision of the President or his/her designee will be final.

SEXUAL MISCONDUCT POLICY

New Mexico State University will not tolerate sexual misconduct of any kind as defined herein:

Forced Sexual Contact - Any harmful, insulting or non-consensual verbal or physical contact of a sexual nature with another person (including touching, fondling, exposure, disrobing, etc.) that is accomplished toward another without his/her consent including any such act accomplished by means of actual or implied force, threat, coercion, or helplessness. Forcing or intimidating a person to touch another’s intimate parts shall also constitute sexual contact.

Forced Sexual Penetration - Intercourse (vaginal penetration); sodomy (anal penetration); oral copulation (oral-genital contact); or penetration with any object (including a finger), by the use of force, threats, coercion, or by taking advantage of a victim’s helplessness.

A student charged with sexual misconduct, including acquaintance or date rape, can be prosecuted under New Mexico criminal statutes and disciplined under the Student Code of Conduct. Even if the law enforcement authorities choose not to prosecute, the University can pursue disciplinary action.

A violation occurs when there is participation in any kind of sexual misconduct by a student individually or in concert with others. Since the University hopes to educate students in order to prevent violations, students should understand that:

A. Forced sexual penetration or other unwanted forced sexual contact is defined as sexual misconduct whether the assailant is a stranger or an acquaintance of the victim.

B. Alcohol and/or drug use, intoxication, or any impairment of the accused, does not absolve responsibility for sexual misconduct.

C. In situations where the victim is incapable of giving consent, or is unable to resist sexual advances due to alcohol/drug use or other impairments, the accused will be held responsible for sexual misconduct.

D. Force or coercion is defined as: 1. The use of physical force or physical violence; or 2. The use of threats, including but not limited to physical threats, abduction, extortion or retaliation directed against the victim or another when the victim believes that there is an ability to execute such threats; or 3. The use of verbal comments or non-verbal behaviors/gestures to intimidate the victim or another when the victim believes that there is a present ability to execute such threats.

Accusations of sexual misconduct will be investigated by the Coordinator of Student Judicial Services according to the Code of Conduct. If evidence is available to indicate that a student is guilty of sexual misconduct, or if guilt is admitted, the penalty for such misconduct may be as much as disciplinary suspension, dismissal or expulsion.

**SPECIAL GRIEVANCE POLICIES**

**STUDENT ACADEMIC GRIEVANCE POLICY**

Procedure for Initiating Grievance Complaints: This procedure has been established to provide a method to resolve undergraduate student grievances at the lowest administrative level in a fair and expeditious manner. For the purpose of this procedure, grievances are limited to alleged violations of university policy or procedures by the university or its employees, disputes with faculty and/or alleged unfair treatment. Usually this method is used to appeal a grade the student feels was not justified. Under no condition should these policies be used when the student has allegedly violated the University Code of Conduct or a contractual agreement, and at no hearing should either party have a lawyer. Any student who believes that he/she has been unjustly treated within the academic process may proceed as far as necessary in the steps detailed below. Should the alleged grievance not involve a faculty member or course, the student is to appeal directly to the Division Head or Vice President of Academic Affairs in whose area or college the alleged grievance occurred.

1. Appeal to the faculty member: The student is to submit a written appeal to the faculty member within 30 days after the start of the grading period following the grading period in which the alleged grievance occurred. If the alleged grievance occurs during a summer grading period, the student is to submit an appeal no later than 30 days into the fall grading period following the summer grading period in which the alleged grievance occurred. The faculty member and the student are to discuss the problem. The faculty member will submit a written report outlining his or her decision to the student and Division Head or appropriate unit designee within ten working days of receipt of the student’s written appeal. Should the course under appeal be a library course, the student or faculty member should appeal to the appropriate unit designee of the library as the next step.

2. Appeal to the Division Head or appropriate unit designee: If a decision satisfactory to the student cannot be reached, the student may submit a written appeal to the Division Head or appropriate unit designee in which the course in question was taught. This is to be done within ten days of the receipt of the faculty member’s written decision. The faculty member, the Division Head or appropriate unit designee, and the student are to meet to discuss the problem. The Division Head or appropriate unit designee will send a written response outlining his or her decision to the student and faculty member within ten days of this meeting.

3. Appeals to the Vice President of Academic Affairs: If a satisfactory decision cannot be reached among the Division Head or appropriate unit designee, the faculty member, and the student, the student or the faculty member may submit a written statement of appeal to the Vice President for Academic Affairs. This is to be done within ten working days after the receipt of the written decision by the Division Head or appropriate unit designee. The Vice President for Academic Affairs may request a written recommendation from an Academic Appeals Board. Should this be the case, the Academic Appeals Board will conduct a hearing with the student and faculty member (not necessarily at the same time) to review the merits of the appeal. They may also ask for supporting evidence for or against the appeal. The Academic Appeals Board will submit the written recommendation to the Vice President of Academic Affairs within five working days following the conclusion of their review process. The Vice President of Academic Affairs may meet with the student, faculty member, and Division Head or appropriate unit designee to discuss the appeal (not necessarily at the same time). The Vice President of Academic Affairs will submit a written response outlining his or her decision to the student, faculty member, Division Head or appropriate unit designee, and President within ten days of the last meeting.

4. Appeals to the President: The President, may, at his or her discretion, review the
appeal upon the written request of the student or faculty member and render a final decision. An appeal to the President is the last step in the appeals process and the President's decision cannot be appealed further. Should the President not choose to review the appeal, the decision of the Vice President of Academic Affairs is final.

5. Exceptions to the time involved: The Vice President of Academic Affairs may waive the normal time frame for appeals for compelling reasons. Regardless of circumstances, academic appeals must be initiated with the course instructor within two years of the conclusion of the grading period in which the course was taken.

6. Enrollment: A student need not be enrolled at the university to initiate an appeal.

Academic Appeals Board: An academic appeals board will be appointed by the Vice President of Academic Affairs to hear student appeals. The appeals board will consist of three faculty members and two students.

Maintenance of records: Instructors and/or departments shall keep records used to compute individual grades for two years after the completion of a course. If a grade has been appealed, these records shall be kept for at least two years after completion of the appeal. Departments, colleges, or library may require that records be kept for longer periods.

STUDENT NON-ACADEMIC GRIEVANCE POLICY

Any student, who believes that he/she has been treated unjustly in a non-academic area, not involving a contractual agreement, can file a grievance as long as the Code of Conduct has not been violated. The purpose of this policy is to allow the parties to resolve grievances at the lowest administrative level in a fair and expeditious manner without the involvement of lawyers. A grievance must be filed no later than thirty (30) days following the time the alleged problem occurred. Failure of University personnel to respond within ten (10) days, at any level in the procedure, will allow the student to proceed to the next step. The channel of appeal for non-academic grievances shall be:

1. The aggrieved student must first confer with the staff member involved in an attempt to resolve the problem.

2. Unresolved grievances shall be filed in writing by the student with the appropriate director. The director will conduct an inquiry and attempt to resolve the matter impartially and as quickly as possible. This step must be concluded within ten (10) days of the date the grievance was received.

3. If the grievance is not resolved at Step 2, the student may forward a copy of the grievance and all relevant correspondence to the Vice President for Student Success. The Vice President for Student Success (or his/her designee) will conduct an investigation and attempt to resolve the issue. This process shall be concluded within ten (10) days of the date the grievance was received.

4. If the issue is not resolved in Step 3, the student may appeal to the President. If warranted, the President will appoint a hearing panel consisting of a student, a faculty member, and a staff person from departments or colleges not involved in the grievance. If a hearing panel is appointed, the parties involved in the grievance will be allowed to submit written documentation concerning the problem, may be present at all hearing sessions, and will be given the opportunity to provide additional oral information on their behalf.

Upon completion of the hearing(s), the panel will forward a written recommendation to the President or his/her designee. This document should include findings of fact and the basis for the recommendation. The decision of the President or his/her designee is final.

STUDENT SPECIAL CARE POLICY

To ensure the safety and well-being of our students, New Mexico State University may, on occasion, require that students receive a particular type of care or treatment (i.e., emergency medical attention, live-in attendants, or vaccinations) as a condition of continued enrollment or eligibility to reside in University-operated housing. When this care or treatment is required by the cognizant University administrator, the student will be obligated to assume any financial responsibility associated with the treatment.

Furthermore, the University may, on occasion, contact a student's parents, legal
guardian, or spouse in cases of extreme emergency, or where a possibility of imminent harm exists. This will occur only when, in the judgment of the appropriate official, the best interests of the student and the University will be served.

When practical, the University will notify the student, in writing, of the University's intention to undertake the steps authorized by this policy. This decision may be appealed by the student to the Vice President for Student Success, within 24 hours of notification. The appeal should be in writing and clearly state the reasons why the student objects to the proposed action. The Vice President for Student Success will review the facts in the case and convey a decision to all parties within 48 hours. The decision of the Vice President for Student Success, shall be final.

1. Children visiting campus must be closely supervised by an adult at all times.
2. Children will be prohibited from entering dangerous settings such as labs and equipment rooms without the approval of the division head or Vice President for Academic Affairs.

Students who are interested in acquiring access to their records should make their requests to the Chief Administrator of the following offices:

Directory information will be released upon request unless the student does not wish such a release and notifies the Admission's Office in writing. Directory information includes student's name, address, e-mail address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and most recent previous educational agency or institution attended by the student.

Disclosure of the types of records maintained by the institution is available upon request by the student as are all other requirements stipulated by the Family Educational Rights and Privacy Act of 1974 as they pertain to New Mexico State University. Further information regarding details may be acquired from the Admissions office.

FILM POLICY

In order to comply with the Federal Copyright Act (Title 17 United States Code) which governs how copyrighted materials, such as films/movies, may be used, it is strongly suggested that chartered student organizations and university departments of New Mexico State University review and adhere to the following guidelines as
indicated by the Motion Picture Licensing Corporation when the proposed event involves the screening of a film/movie on the campus. The Department of Campus Activities will be available for consultation regarding the public performance licensing procedures, but will not be responsible for ensuring that the student organization or university department have complied with the intent of the law and have secured the appropriate license.

By law, as well as by intent, the pre-recorded videocassettes and DVDs (referred to henceforth as "Videos") which are available in stores throughout the United States are for all purposes intended for "home use only." Rentals or purchases of Videos do not carry with them licenses for non-home showings. Before you can legally engage in any non-home showings, you must have a separate license, which specifically authorizes such use.

Any institution, organization, company or individual wishing to engage in non-home showings of Videos should be aware of the Copyright Act's provisions governing the showing of Videos. The Copyright Act grants to the copyright owner the exclusive right, among others, "to perform the copyrighted work publicly." (Section 106 – FCA) In summary, the Copyright Act mandates: The rental or purchase of a Video does not carry with it the right "to perform the copyrighted work publicly." (Section 202 – FCA)

- Videos may be shown without a license in the home to "a normal circle of family and its social acquaintances" (Section 101 – FCA) because such showings are not "public."
- Videos may also be shown without a license for non-profit educational purposes and in certain narrowly defined "face-to-face teaching activities" (Section 110.1 – FCA) because the law makes a specific, limited exception for such showings. (Sections 106 and 110(1) – FCA)

- Other showings of Videos are illegal unless they have been authorized by license. Even "performances in "se mipublic" places such as clubs, lodges, factories, summer camps and schools are 'public performances' subject to copyright control." (Senate Report No. 94-473, page 60; House Report No. 94-1476, page 64)
- Institutions, organizations, companies or individuals wishing to engage in non-home showings of Videos must secure licenses to do so – regardless of whether an admission or other fee is charged. This legal requirement applies equally to profit-making organizations and non-profit institutions (Senate Report No. 94-473, page 59; House Report No. 94-1476, page 62).

Showings of Videos without licenses, when one is required, are infringements of the established copyright. If done "willfully and for purposes of commercial advantage or private financial gain," they are a federal crime and subject to a $150,000 penalty per advantage or private financial gain, they are a federal crime and subject to a $150,000 penalty per exhibition (Section 506 – FCA). In addition, even innocent or inadvertent infringers are subject to substantial civil damages ($750 to $30,000) for each illegal showing and other penalties. (Sections 502-505 – FCA).

To Obtain Public Performance License

Obtaining a public performance license is relatively easy and usually requires no more than a phone call. Fees are determined by such factors as the number of times a particular movie is going to be shown, how large the audience will be and so forth. While fees vary, they are generally inexpensive for smaller performances. Most licensing fees are based on a particular performance or set of performances for specified films. The major firms that handle these licenses include:

- Swank Motion Pictures, Inc.

  (800) 876-5577
- Criterion Pictures

- Motion Picture Licensing Corporation (MPLC)

FREEDOM OF EXPRESSION POLICY

New Mexico State University recognizes and promotes an intellectually open campus. The free exchange of ideas through written, spoken, and other forms of expression reflects its public land-grant heritage, support of diverse points of view, and commitment to excellence in education and research.
A. Campus Use for Free Expression
Any outdoor area that is generally accessible to the public may be used by any individual or group for petitioning, distributing written material, handing out newspapers, or conducting speech acts. Prior approval is not necessary as long as the primary action is not to advertise or sell a commercial product. Activities must follow all applicable fire codes, local, state, and federal laws. Activities shall not:

- Unreasonably obstruct vehicular or pedestrian traffic.
- Block the entrances or exits to buildings and facilities.
- Permanently occupy land areas or permanently locate signs and posters.
- Erect permanent structures, shelters or camps.
- Unreasonably interfere with classes, university work, and scheduled events.

In exercising the right of free expression, one must also accept the responsibility of following the laws related to the safety of people and property. If property damage or excessive littering occurs, or other unusual expenses are incurred by the university as a result of the event, event organizers may be held responsible for reasonable charges if deemed appropriate by the President or his/her designee.

2. Group Speech Activities
a. Group speech activities, including rallies, parades and demonstrations, that are advertised through public media including newspapers, radio, television, flyers, or electronic lists may need to be coordinated through the Vice President for Student Success and Alamogordo Department of Public Safety (as described in 2b).

b. Any individual, group, or organization sponsoring a group speech activity that is expected to draw more than 100 persons at one time and uses public media for advertising must notify the Alamogordo Department of Public Safety no less than 72 hours in advance of the activity, so that the Alamogordo DPS can take appropriate actions to ensure the safety of the event. Activities expected to draw 500 or more participants, or require road closures or detours, must be scheduled two weeks in advance.

c. Any individual, group, or organization planning a group speech activity is encouraged to contact the Vice President for Student Success in advance so that activities may be coordinated with appropriate university offices. This will allow for locations to be reserved or other concerns to be addressed, such as the use of sound amplification equipment. Contacting the Vice President for Student Success is voluntary and does not constitute an approval process.

1) All scheduling is done on a "first come, first serve" basis.
2) Activities that are scheduled receive priority in the use of space on campus.
3) Electronic Sound Amplification
a. The use of electronic sound amplification equipment is authorized by the Tays Center at 439-369 or on the Patio from 12:15-1:00 pm or when classes are not in session. Requests should be submitted to the Vice President for Student Success at 439-3716.

b. Sound amplification equipment may be allowed at other times and in other locations if coordinated in advance through the Vice
President for Student Success no less than two weeks in advance.

3. Use of Chalk

   b. All chalk used must be of a temporary or removable nature. Permanent chalk, such as surveyor’s chalk, may not be used under any circumstances.

B. Policy Enforcement
Any person violating this policy will be subject to:
1. Being asked to cease and desist or to relocate by appropriate university employees acting within the scope of their duties.
2. Being ordered to leave the premises or property owned or controlled by the university by the police or a person in charge of the property.
3. Institutional disciplinary proceedings under the Student Code of Conduct if violation by a student. Violations by faculty or staff will be referred to the appropriate department or academic unit.
4. Arrest for violation of local, state, and federal law(s).
5. Restriction of future use of, or access to, the NMSU campus.

C. Reference to Other Policies Impacting Freedom of Expression:
In the event that the terms of this policy conflict with other existing policies impacting freedom of expression in areas generally accessible to the public, the terms of this policy shall prevail.

FUND RAISING/SALES AND SOLICITATION
Raising funds is a means for campus organizations to supplement their other resources in meeting the goals of their organization. In order to avoid conflicts, duplications, or violation of laws or regulations, it is necessary to establish guidelines to aid in coordinating such activities.

Although the University supports organizational fund-raising efforts, it recognizes that the campus is not a market place to be exploited by opportune entrepreneurial projects. Fund raising is not the primary function of student organizations, and campus organizations do not have an implicit right to use the campus or the community for fund-raising activities.

Fund raising through sales and solicitations, both on and off-campus, are governed by University Sales and Solicitation Policies. Full text copies of these policies are available from the Vice President for Student Success. The Vice President for Student Success makes interpretation of the Sales and Solicitation Policy. The Vice President for Student Success’ office is located in the Student Services Building, Room 203.

Permission to use building bulletin boards is at the discretion of the Public Information Officer and use must conform to facility operating policies where they exist. Posters or signs providing directions or information related to a convention or special event may be displayed on the date of the event, but must be removed by the sponsoring group when the event is over. Questions related to the interpretation of this policy should be directed to the Vice President for Student Success.

SMOKING POLICY

Accumulating evidence has shown environmental or second hand tobacco smoke increases the risk of cancer and other health hazards for non-smokers as well as smokers. NMSU has a vital interest in maintaining a healthy and safe environment for its students, faculty, staff and visitors while respecting individual choice. Consistent with these concerns and the New Mexico Clean Indoor Air Act, NMSA 1978, § 24-16-1 through 11, the following policy has been established to restrict smoking of tobacco, or any other weed or plant, and provide procedures for accommodating the preferences of both smokers and nonsmokers.

Smoking of tobacco products is prohibited in all buildings (exceptions below) owned or leased by the University as well as within 25 feet of entrance or exit, vehicles, and during some organized outdoor events on University property.

SMOKE FREE AREAS

Smoking is prohibited in or at:

- all enclosed buildings and facilities including classrooms, offices, food
service venues, lavatories, and most residence halls (in accordance with Housing & Residential Life policies); • within 25 feet of building entrances and exits (when reasonable) and fresh air intake grills unless it is a specially designated smoking area • partially or fully enclosed walkways, corridors, elevators • vehicles owned, leased or rented by the university • within 50 feet of any area where flammable materials are handled or stored, or where other significant fire hazard may exist • indoor athletic or other University-sponsored or designated events No Smoking signs or the international no-smoking symbol will be posted at major entrances of all University buildings.

SMOKING PERMITTED AREAS
Smoking is permitted outdoors in designated smoking areas on University property except during organized events which have been designated as “No Smoking”. Individuals choosing to smoke outdoors must be 25 feet from doorways, open windows, enclosed walkways, and ventilation systems to prevent smoke from entering enclosed buildings and facilities, and to prevent public access from being denied to an individual with a respiratory medical condition.

EDUCATION AND SERVICES FOR SMOKERS
In light of numerous adverse health effects associated with active smoking, and with exposure to second hand smoke, the University will provide educational services to faculty, staff, and students about the hazards of smoking and information and services on quitting smoking. In addition to consulting with their own health care providers.
• Students may contact the NMSU Student Health Center for information and programs on quitting smoking.
• Faculty and staff may obtain assistance in smoking cessation through the Employee Health Center.

COOPERATION AND COMPLIANCE
This policy relies on the mutual courtesy and cooperation of smokers and nonsmokers for its success. It is the responsibility of all members of the NMSU community to observe the provisions of this policy on smoking. Complaints or concerns or disputes regarding its implementation should be referred to the immediate supervisor for resolution. Environmental Health & Safety will assist in determining what distance or location is reasonable for the particular situation. If a resolution cannot be reached, the matter will be referred by the supervisor to a campus administrator for mediation. Managers, Division Heads and Area Coordinators are responsible for seeing that persons in their areas are informed and comply with this smoking policy. Those having difficulty complying with these restrictions are encouraged to seek assistance from the resources listed in Section 4. Students, faculty, and staff violating this policy are subject to disciplinary action. Any person who commits an unlawful act under any of the provisions of the New Mexico "Clean Indoor Air Act" shall be fined in an amount not less than ten dollars or more than twenty-five dollars for each violation.

DISPOSAL OF TOBACCO WASTE
Anyone who chooses to smoke or use smokeless tobacco on campus must discard the waste in an appropriate manner.

SPEAKER POLICY FOR NMSU ALAMOGORDO
A student organization must be chartered before the organization can issue any invitation to an off-campus speaker. Contracts and financial commitments will be approved only after the sponsoring organization has given two (2) weeks notice (by submitting an Activity Request Form) and only after confirming with the Business Office that the organization has a balance on hand for the program including facility rental, speaker's fee, advertising, and any other expenses. The University reserves the right to select a full-time member of the University's faculty or professional staff to preside at the meetings at which off-campus persons are speaking. The sponsoring organization shall assume full responsibility for the courteous
treatment of the speaker and ensure him or her the freedom to speak.

Speakers shall agree to receive an answer questions form the audience.

Any chartered student organization that violates the speaker policy or any of these regulations shall be subject to disciplinary action that may result in the loss or suspension of recognition or the imposition of other sanctions.

These regulations and the speaker policy shall be included as part of all contracts with off-campus speakers.

The Vice President for Student Success or his/her designee shall be notified of all speakers invited to campus.

VACATING UNIVERSITY BUILDINGS AND FACILITIES

The University recognizes the importance of providing a venue where members of the community can freely and openly express their ideas. However, if an individual(s) and/or organization improperly or illegally occupy university buildings or property, the following statement will be read.

“You are violating university regulations and/or State laws concerning improper occupation of buildings or property. If you leave within the next 10 minutes, no further action will be taken. If you do not leave within 10 minutes you may be arrested. If you are a student, you may also be subject to disciplinary action as outlined in the Student Code of Conduct.”

In the event a crime (other than the peaceful, but illegal occupation of a building or property) has occurred, is occurring, or is about to occur, action may be taken without regard to the above statement by the appropriate university officials in order to protect the safety, lives, and property of the university community.
