

PHARMACY TECHNICIAN TRAINING

NMSU ALAMOGORDO

CLASSES START APRIL 21ST

Pharmacy Technician Program

NCP's Pharmacy Technician certification course is offered in partnership with the Community Education Department of NMSU Alamogordo. The program offers students both theoretical and practical training through hands-on experience, preparing students for entry-level positions in the retail and institutional pharmacy setting. Upon completion of this program, students will be able to perform all the duties required in any pharmacy practice setting and also be prepared to take the certification exam offered by the Pharmacy Technician Certification Board to become a Certified Pharmacy Technician (CPhT).

Course Details

- Tuition- \$3,950, including all materials and textbooks
- Classes start on April 21st and end July 14th. Classes will meet on Tuesday evenings from 6-9:00PM and Saturday mornings from 9:00AM-Noon.
- Once 72 hours of classroom study have been completed, our students are required to complete an 80-clock-hour externship experience in order to graduate from the program.
- Classes are held at the NMSU Alamogordo Campus located at 2400 North Scenic Drive in Alamogordo.

Prerequisites

The course offering is considered "selective admissions", which means that NCP student counselors and staff will grant admission based on the application and interview. Our commitment is to keep a low teacher-student ratio, therefore, seating is **LIMITED**.

Prerequisites for the course include:

- A high school diploma or General Education Diploma (GED)
- No criminal offense, misdemeanor or felony, related to drugs or alcohol
- Commitment to the rigorous 12-week course schedule, which includes approximately 12 hours of study time and work outside of class per week
- Basic computer and typing skills of 25-30 WPM

Why enroll in an NCP course?

- Our students complete courses in 16 weeks. You get in, get out, and get paid!
- Our courses are led by in-class, highly qualified instructors.
- Tuition is reasonable and includes all materials, textbooks and the 80-hour externship.
- Classes are small, so students get individualized attention.
- Tutoring is offered to our students at no extra charge.
- Our courses have been offered and approved by major colleges and universities.
- Our student counselors and staff give personal attention to each student. Our goal is to help every student learn the material, pass the certification exams, and get a job quickly.

Affordable Payment Plans

Tuition assistance is available to those who qualify through various lending sources such as Sallie Mae Financial and Wells Fargo Bank. Students may also qualify for state funding through the Workforce Investment Act (WIA) or a low interest loan through NCP. We also offer several payment plan options.
