

Preparation for Certification Emergency Medical Services

Three Emergency Medical courses are offered at NMSU – Alamogordo. After successful completion of the EMT Basic course, students are eligible to take the New Mexico State EMT Basic licensing and/or National Registry examination. In order to be admitted to the EMT Intermediate class, students must be currently licensed at the EMT Basic level and must take a pretest prior to the beginning of the semester in which they intend to enroll. The Intermediate course covers the first level of Advanced Life Support skills. After successful completion of the Intermediate course, students are eligible to take the New Mexico State EMT Intermediate licensing exam. Students must obtain a current CPR card for “healthcare professionals” within four weeks of the start of each course. In addition, a course completion certificate is issued at each level by the Dona Ana Community College EMS Department upon successful course completion.

OEEM 120, 120L, 121	EMT Basic	9
OEEM 150, 150L, 151	EMT Intermediate	9
OEEM 115	First Responder	3

For specific additional prerequisite and co-requisite requirements contact the EMS Department in the ProTech Division at 439-3688.
