

CERTIFICATES, CERTIFICATIONS, OR CAREER PREPARATION

Certificate in Technical Communications with Visual Communications Emphasis

This certificate is designed to develop technical writing skills, as well as computer skills, necessary in the film and print industry. The program incorporates fundamental and applied courses that are important for obtaining employment upon graduation. However, some of these applied courses may not be suitable for transfer to bachelor's degree granting institutions or may not be applicable to bachelor's degree programs. For further information, contact an Academic Advisor.

Credits

Required Courses

ART	160	Computer-Based Illustration	3
ART	161	Digital Imaging I	3
