

- Below is the final exam schedule for the Fall 2016 semester. All regular M/W and T/R classes will adhere to the exam schedule. Exams will be held in the room where the course has met throughout the semester. The instructor may or may not decide to require a final exam; however, the class must meet.
- For all other classes, final exams will be held during the regular class period on the last day of class.
- If a student has a conflict with an NMSU-A on-campus course final and a HAFB course final, the student should contact the instructor of the on-campus course to make arrangements to reschedule the on-campus final exam.
- Students with exam schedule conflicts must contact instructors before November 18, 2016.
- Any student having more than three (3) exams in any one day should contact the instructor of the last exam listed and ask for alternate arrangements for that exam.
- Weekend Final Exams will be given the last weekend of classes.

Final exam days/times are determined by class days/times.
