NOTES

A grade of C- or better is required in all courses fulfilling NM Common Core (G) requirements.

A full list of New Mexico Common Core/General Education (G) courses can be found in the General Information section of the NMSU-A Catalog.

A total of five courses must be chosen between the Humanities/Fine Art and the Social/Behavioral Science G areas. Courses must be from different discipline areas.

Plan electives to meet other requirements for your Bachelor degree, such as specific requirements within the major.

Recommended Second Language Elective: Almost all College of Arts and Sciences majors require at least two semesters of a second language; some require four semesters. NMSU recommends that students take their language requirements as soon as possible and in sequence. See your advisor or the NMSU catalog for exceptions to the language requirements.
