

From the President's Office

Dear Faculty, Staff, and Friends,

I want to remind everyone to please read through and become familiar with the HLC Assurance Document that is currently published on the NMSU-A website (<http://nmsua.edu/files/uploads/draft-assurance-argument-20160929.pdf>). This report contains the information that will be provided to the Higher Learning Commission for their site visit February 13th and 14th of next year. Thank you to Greg Hillis and Joyce Hill for their presentation last Friday on the process, next steps, and the HLC visitation. I also want to thank the writing team for their efforts in providing the content for this first draft and for the tedious proofreading that Mary Fechner has accomplished. As Greg and Joyce mentioned, please provide feedback to them concerning any part of the document that is not accurate or should be corrected by October 15th.

HLC Assurance Document Writing Team:

Cathy Aguilar-Morgan, Mark Cal, Mary Fechner, Joyce Hill Greg Hillis, Vandeen McKenzie, Anne Ricksecker, Tony Salinas, Miguel Viscarra, Ken Van Winkle, Erin West, and Sherrell Wheeler.

Congratulations to Phi Theta Kappa, Student Services, and Student Government for hosting a very successful Fall 2016 "Eat and Complete". It is my understanding that the September 28th event drew the largest number of participants to date. I believe there were well over 90 students who took part in the festivities. It was nice to see the patio full of students, faculty, and staff. Special thanks goes to John Barnes for organizing such a nice activity for the students on our campus.

Thank you to all who participated in the 2016 Community College Roundup last weekend. I was sorry that I could not be there. I had a great time in Grants last year and was looking forward to the wonderful presentations by our faculty and staff. Thank you and congratulations to Kim Lopez-Gallagher, Sherrell Wheeler, Rob Klinger, and Sharon Jenkins for sharing their expertise with our branch campuses.

Have a wonderful October!

FINANCIAL AID INFORMATION

FAFSA® Changes for 2017–18

On Sept. 14, 2015, President Obama announced significant changes to the *Free Application for Federal Student Aid* (FAFSA®) process that will impact millions of students. Starting with the 2017–18 application cycle, the following changes will be put in place:

- **Students will be able to submit a FAFSA® earlier.** Students will be able to file a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA earlier every year. (There is NO CHANGE to the 2016–17 schedule. The FAFSA became available January 1 as in previous years.)
- **Students will use earlier income information.** Beginning with the 2017–18 FAFSA, students will be required to report income information from an earlier tax year. For example, on the 2017–18 FAFSA, students (and parents, as appropriate) will report their 2015 income information, rather than their 2016 income information.

NMSU-A Spotlight:

Allied Health Instructor, Jeffrey Eigenmann

NMSU-A Allied Health would like to introduce you to Jeffrey Eigenmann, who teaches Advanced First Aid, Basic Life Support, Advanced Cardiac Life Support, Pediatric Advanced Life Support, EMT-Basic, and EMT-Intermediate for NMSU-A. Jeff joined the Army at age 17 in his Junior year of high school. It was there that he first realized his interest in the medical field. During Jeff's senior year in high school, he started working evenings at the local hospital where he took his Basic EMT class. He graduated in May of 2001, just before the tragedy on September 11th. A few years later in 2005, Jeff earned his degree in Emergency Medical Science and became a Nationally Registered Paramedic. Soon after that, he went to work for BSA Hospital in Amarillo, TX. Since then, he has worked for HRMC Hospital and AMR. Jeff was FTO and EMS Educator for HRMC. During that time, he also taught BLS, ACLS and PALS classes for BSA Hospital and HRMC Hospital. Jeff is both a structural FFII and wildland FFI with many IFSAC endorsements. In 2013 he finished his Bachelor's in Biology and moved to New Mexico. Currently Jeff serves as the Site Manager for Sacramento Camp and Conference Center. He also volunteers at our local fire department where he fills the roles of EMS Director and Training Officer. Most recently, Jeff joined with NMSU-A to teach EMS-related courses in the Allied Health Department. Jeff states he finds it most rewarding and exciting to be in a position to further improve the EMS profession by producing the best EMTs in the region.

AGGIE CUPBOARD ALAMOGORDO

Here is some "food" for thought:

Did you know Aggie Cupboard Alamogordo distributes food all year? So far in 2016, 101 food distributions have helped NMSU-A students, faculty and staff in need. This amounts to more than \$1500 in food and is done only through the generous donations of food and cash by the NMSU-A and Alamogordo communities.

Each distribution includes:

1 can of soup

1 can of fruit

2 cans of vegetables

1 can of pasta/tomato sauce

1 can of beans

2 to 3 pounds of dry pasta, beans or rice

15 ounces of tuna/chicken or 20 to 30 ounces of peanut butter

3 or 4 other items that we have available

Your donations are greatly appreciated but, as you might imagine, it doesn't take long to deplete our shelves.

We are in great need of packages of dry pasta, rice and beans and canned tomato/pasta sauce and peanut butter. We can also always use canned soups, fruit, vegetables, chicken, and tuna. All items need to have a "use by" or "best by" date in the future. We also accept cash donations through the NMSU-A Foundation which can easily be made by contacting Mary Fehner at (575) 439-3696.

Please do what you can to help.

The next Aggie Cupboard Alamogordo food distribution will be at the Tays Center Kitchen located near Adult Education:

- Tuesday, October 25th from 4pm to 6 pm
- Wednesday, October 26th from 4pm to 6 pm

Distribution is open to any NMSU-A or NMSU student or employee who has an NMSU-A ID number. Anyone receiving food will need to complete a short information card with their name, ID number, and any food restrictions or allergies. You may also provide constructive comments to help the pantry improve.

For more information, contact Greg Hillis at (575) 439-3624.

If you have an article, story, or photo you would like to share in the Campus Connection Newsletter, please send it to Katie Pacelli-Klinger at kpacelli@nmsu.edu or call (575) 439-3729. Don't forget to Like and Follow the New Mexico State University Alamogordo Facebook Page and @NMSU on Twitter!
