NEW MEXICO STATE UNIVERSITY-ALAMOGORDO

2002 FACTBOOK

The NMSU at Alamogordo 2002 Factbook is produced by the Office of Institutional Research (OIR) on behalf of the entire college community, and is intended to provide the user with a single source of accurate information about historical student enrollment and institutional data. The information also appears on an accompanying website: <<http://alamo.nmsu.edu/~factbook/index.html>>. This year we have included on the website the Factbook in “pdf” format so that it can be downloaded in a more printer friendly version.

The 2002 Factbook continues the publication of basic institutional information that was begun by my predecessors in this Office more than a decade ago. In fact, there is now such a long history of publication of this and similar data that we have had to begin limiting the number of years of information we publish, just because of space limitations. Most of the data included in the 2002 Factbook goes back at least 10 years. If earlier information is needed, please contact us.

This publication is the result of the ongoing work of many people in addition to the OIR staff. The information actually originates with students and employees throughout the NMSU system who fill-out the forms and enter the information into the University data system. NMSU-A personnel at Student Services and the Budget Office daily enter much of this information, always with a high degree of accuracy and reliability.

The annual production of this publication is largely possible because of the work of Brenda Garcia who devotes many hours to updating the Factbook pages and continuously improving the formatting and overall usefulness of the document. Brenda also brings her graphic design talents to the project by designing the Factbook cover. The consistency and high reliability of the long-term data is due to the work of Joe Downey, a Retired Senior Volunteer. Joe also devotes many hours each week helping respond to the requests for information the OIR receives from both within the institution and from the larger community we serve.

We hope the many people involved with NMSU-A find the Factbook information useful, including faculty, current students, prospective students, parents, law-makers, community leaders, state officials, administrators, and anyone who is interested in this part of the world and what we do at NMSU-Alamogordo. Please let us know if this information, in its print or web versions, meets your needs or can be improved in any way. We encourage all comments or questions.

D. Bruce Martin, Ph.D.
Coordinator of Institutional Research
September, 2002
