

FACTBOOK 2013

NEW MEXICO STATE UNIVERSITY ALAMOGORDO

2013 FACTBOOK

The NMSU Alamogordo 2013 Factbook is produced by the Office of Institutional Research (IR) on behalf of the entire college community, and is intended to provide the user with a single source of accurate information about historical student enrollment and institutional data. This and previous years' Factbooks can be found on our website: <<http://nmsua.edu/research/factbook/>>.

The 2013 Factbook continues publication of basic institutional information that was begun by previous NMSU-A institutional research offices more than 20 years ago. Space limitations have prompted us to limit the number of years of information we publish but most of the data included in the 2013 Factbook goes back 10 years. If earlier information is needed, please contact us. This year's publication includes Dual Credit enrollment information for the first time.

This publication is the result of the ongoing work of many people in addition to the IR staff, originating with students and employees throughout the NMSU system who fill-out the forms and enter the information into University data systems. NMSU-A personnel in Student Services and the Business Office daily enter much of this information, always with a high degree of accuracy and reliability.

We hope the Factbook information is useful for the many people involved with NMSU-A, including faculty, current students, prospective students, parents, law-makers, community leaders, state officials, administrators, and anyone who is interested in what we do at NMSU Alamogordo. Please let us know if this information meets your needs or can be improved in any way. We encourage all comments or questions.
