

From the President's Office

Dear Campus Community,

"The excitement and anticipation from our new and continuing students is always a great way to remind ourselves that we matter in the lives of many people in our community. "

Convocation is this Friday! Please join us for our initial fall semester celebration and recognition of outstanding faculty and staff. We will provide food and beverages for a pre-convocation reception beginning at 8:00 am and start the program at 8:30 am.

The excitement and anticipation from our new and continuing students is always a great way to remind ourselves that we matter in the lives of many people in our community. Our student body's future is shaped by the good choices they make, such as going to college. Our job is to help them improve their lives through education. To that end, choosing NMSU-A can make all the difference in the world.

I committed a small amount of time this spring and summer to helping Student Services as an academic advisor. So, I have experienced the daily traffic and work that takes place in Student Services. The advisors have a very difficult task that they handle with professional and caring attitudes. I apologize to the rest of the advising team for my inconsistent work schedule. More importantly, though, I thank them for their incredible dedication to the students and for their understanding of our academic structure. Believe me, they do an outstanding job of guiding a hugely diverse student body population through (for some) a confusing academic process. Cindy, Rose, and Tim, thank you for all that you do. We could not function without you. Oh...do not think you are getting rid of me, I will be in your offices forever asking how to do this or that!

Although I mention the three academic advisors, I would be remiss if I did not highlight the rest of the folks who work so hard in Student Services to help students navigate the college process. Admissions, Financial Aid, and Accessibility Services are so important to the well-being of our students. Thank you to all of you who work in those areas.

As we begin the semester, let us remember to treat our students and each other with kindness and respect. These simple tools will go a long way in developing the reputation of NMSU-A. We truly have the best interest of our students in mind.

We look forward to seeing you at Convocation on Friday at 8:00 am!

Dr. Ken Van Winkle
President
New Mexico State University Alamogordo

Important Information from Student Services

Although this information went out in the last Campus Connection, we feel it is important to re-post it to make sure everyone has the opportunity to read it.

Charge Account and Free Shipping (July 24-August 25)

The student charge account will be open from July 24 through August 25 online. Students can order from July 24 to August 26 at the Barnes & Noble at New Mexico State University in Las Cruces.

Free shipping of books is offered July 30 through August 15. Please note that shipments only will be during weekdays.

If you have any questions, please contact:

Marvin Paz textbook department manager – tm688@bncollege.com or marpaz@nmsu.edu
575-646-4020

Vanesa Rel assistant textbook department manager – bookstore@nmsu.edu 575-646-4702

Collin King Assistant Store Manager – Collin9@nmsu.edu 575-646-4703

If you need immediate assistance, please call the main line at 575-646-4431. Please note that Barnes & Noble store receives a large volume of calls at the beginning of the semester. Your patience is appreciated.

Welcome Aggies (August 16-17)

Volunteers will be needed to welcome students to the campus on Wednesday, August 16 and Thursday, August 17 from 8 am to 6 pm. There will be four locations this year: Student Services, Patio, Science Center and the Pro-Tech Building. Please email Anne Ricksecker at anricks@nmsu.edu if you would like to help with this event.

Otero County Fair 9 (August 16-August 19)

The first week of classes is also the week of the Otero County Fair! Yes, we will need volunteers for this important event as well. The hours will be Wednesday, August 16 (5 pm-10 pm) and Thursday, August 17-Saturday, August 19 (11 am-10 pm). Classes will have started so we will be informing fair participants about 2nd 8-Week sessions and future classes.

Student Government 2017 (August 25)

The first Student Government Meeting for the semester will be held on *Friday, August 25 at 2:00 pm* in the Student Government/Student Organization Conference Room located in the Student Center/deli area.

Important Dates

Welcome new students and returning students!

A few dates you should know:

August 16th: First day of 16 week classes and first 8 week classes.

Allied Health & EMS Orientation 4:00 pm. *Attendance Required*

August 17th: Last day to add courses without instructor approval for 16 week & 1st 8 week courses.

Allied Health & EMS Orientation 4:00 pm. *Attendance Required*

August 21st: Last day to add courses with Instructor Approval for 1st 8 week session.

August 25th: last day to add courses with Instructor approval for 16 week session.

Degree Application deadline.

If you have question or need help, call 575-439-3600.

An Opportunity to Have Fun and Raise Funds

Hello friends!

I am inviting all faculty and staff (and students) to join me to do the [Lady of the Mountain Run](#) on December 9, 2017. My plan is to do the half-marathon. I have begun training with this "[Couch to Half-Marathon](#)" 20 week plan. I am starting from scratch, yo! The race will also feature a 5K, 10K and of course, the Half-Marathon Relay. For kids, there will be a 1 mile fun run. Racers can walk or run or run/walk the races. There is no judgement! All proceeds from the races benefit Lady of the Mountain Scholarships for students attending NMSU-A.

Plus, we will all get a little healthier! Consider taking a walking/running class from Coach Baca this fall semester as a fun and easy way to train for one of the races.

I hope that there will be a great contingency of faculty and staff representing NMSU-A at the race. In addition to running and walking, faculty, staff and students can volunteer to help with the race. See the Lady of the Mountain Run website for details on how to get involved .

Here are links to a few other training plans. You can find more on the internet.

[Couch to 5K](#)
[10K Training Plan](#)

With respect,

Kim

Kim Lopez Gallagher
Professor of US History, Government, Philosophy
NMSU-Alamogordo
575-439-3730

We want to see a big turn out from NMSU-A! Please remember to register EARLY!

Hours of Operation

Since we are starting a new semester, many of you may have questions about the hours of operation for many locations on campus. Below is a list of the most frequently visited places on Campus:

Townsend Library (439-3650)

Monday-Thursday 7:45 a.m.—7:00 p.m.
Friday - 7:45 a.m.-5:00 p.m.
Closed Saturday and Sunday

Academic Support Center (439-3853)

Monday–Thursday: 9 a.m.–8 p.m.
Friday & Saturday: 9 a.m.–4 p.m.
Sunday - CLOSED

Testing Center (In the Academic Support Center) (439-3852)

Monday–Thursday: 9 a.m.–7 p.m.
Friday & Saturday: 9 a.m.–3 p.m.
Sunday - CLOSED

Student Services (439-3600)

Monday-Thursday 8 a.m.-6 p.m.
Friday 8 a.m.—5 p.m.
Saturday–Sunday Closed

Adult Education (439-3812)

Monday-Thursday 8 a.m.—5 p.m.
Friday-Sunday Closed

NMSU-A Business Office (439-3603)

Monday-Thursday 8 a.m.—5 p.m.
Friday 8 a.m.-12 p.m. - 1 p.m.–5 p.m.
Closed Saturday & Sunday

NMSU-A Office at Holloman AFB (479-4318)

Education Center Room 213
Monday-Friday 10 a.m.-5 p.m.

NMSU– A Computer Lab (439-3780)

Room 104, Science Center
Monday-Thursday 8 a.m.-8 p.m.
Friday 8 a.m.– 5 p.m.

SECURITY (439-3634)

Student Organization Ice Cream Party

ICE CREAM + STUDENT ORGANIZATIONS = A+ COMBINATION

As many of us know, student engagement goes hand-in-hand with student success and retention. To show our support of NMSU Alamogordo student organizations and NMSU-A Student Government, there will be an **ICE CREAM SPLURGE + STUDENT ORG MINI-RUSH** on August 21st and 22nd from 11:30 – 1:00 on the Patio!

NMSU Alamogordo Student Organizations are invited to set up tables and encourage students to sign up for special events or to get involved in their unique opportunities. **FREE ICE CREAM** will be shared with anyone who signs up to join an organization or who comes by to get more information!

Want to be a successful student? Looking to become more engaged on Campus and in the Community? Then join us on the 21st and/or 22nd for Ice Cream and NMSU Alamogordo Student Government/Organizations!

Have you registered for your PE exercise classes? It's not too late! The college's P.E. course offerings provide students & other members of the community a year-round fitness exercise program. **If you are a student taking 12 credits at NMSU-A, you can take six additional credits without increasing your tuition. Why not exercise while you go to school?** You can go to www.nmsua.edu to register online, call Dr. Baca at (575) 439-3857, or email: ernebaca@nmsu.edu for additional information. Join us and have some FUN!

Did you know

... that you must apply for your degree at the beginning of the semester in which you complete degree requirements?

According to the NMSU-A Course Catalog, "degree candidates are required to file an Application for Degree or Application for Certificate for each degree or certificate sought" (p. 35). This means that when you are registering for the last classes that meet your degree requirements, you must tell us you are there. Filing a degree application is the way to communicate with us that you are ready to graduate with your degree.

There are no fees if you submit your application before the deadline. The deadlines for filing degree/certificate applications are found on the Academic Calendar located at nmsua.edu. The application form to apply for your degree is available online through your MyNMSU website.

To learn more, read the "Filing Notice of Degree Candidacy" section on page 35 of the Course Catalog. Or, stop by Student Services office and visit with an Academic Advisor.

Admissions and Records

The Admissions Department is always here to help you! If you have any questions, please do not hesitate to contact us.

If your last name begins with the letter A-K, contact Angelica at (575) 439-3701/angelicg@nmsu.edu. If your last name begins with the letter L-Z, contact Alicia at (575) 439-3702/alcaraba@nmsu.edu. You may also send an email to admissnmsua@nmsu.edu.

FAFSA Information

FAFSA Information

On Sept. 14, 2015, President Obama announced significant changes to the *Free Application for Federal Student Aid* (FAFSA®) process that will impact millions of students. Starting with the 2017-18 application cycle, the following changes will be put in place:

- **Students will be able to submit a FAFSA® earlier.** Students will be able to file a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA earlier every year. (There is NO CHANGE to the 2016–17 schedule. The FAFSA became available January 1 as in previous years.)
- **Students will use earlier income information.** Beginning with the 2017–18 FAFSA, students will be required to report income information from an earlier tax year. For example, on the 2017–18 FAFSA, students (and parents, as appropriate) will report their 2015 income information, rather than their 2016 income information.

Scholarship Information

NMFA awards an average of \$500 for career funding and \$1,000 for degrees. Up to \$2,500 is available for clinical supervision towards licensure in the mental health profession. Spouses are also eligible for funding, typically \$1,000, to build their own businesses. This includes entrepreneurs, LLCs, direct sales, franchises, contractors, and other for-profit ventures. Non-profit organizations, please check back in our May application round. Any spouse with a valid military ID is eligible. Apply from October 1st through January 15th, and May 1st through June 30th.

Who is Eligible:

You can apply for a spouse scholarship if you:

- are a military spouse with a valid military ID
- are married to an active duty, reserve, guard, retired, medically retired, wounded or fallen service member (must be a service-related wound, illness, injury or death that took place after September 11, 2001)
- are a dual service military spouse
- are a divorced spouse, but ONLY if you receive 20/20/20 benefits or 20/20/15 benefits
- are married when we ask for verification paperwork, usually a month after the applications close

Who is Not Eligible:

- Surviving spouses who are remarried, unless they are remarried to a service member
- Children (Check the Defense Commissary Agency Military Children Scholarships at www.fisherhouse.org)
- Spouses of former service members, unless they are retired or medically retired

Continuing Education Classes for Fall 2017

Jazz Ensemble Class

Dates

Tuesdays
Aug 22 – Nov 14

Time

6:30p.m. - 8:00p.m.

Cost

\$100

Must be able to read music

Recommended Instrumentation:
Trumpet, Trombone, Saxophone,
Drums, Bass, Keyboard, Guitar

Mr. Daniel Rodriguez is a professional trumpet player and owner of Tromba Media Group, a company dedicated to building websites from El Paso, TX. He is a graduate of Montwood High School in El Paso and earned a bachelor of music degree in 2005 and a master's degree in 2007. As a graduate assistant at New Mexico State University, Mr. Rodriguez directed the second jazz ensemble and performed in all of the major wind and percussion groups on campus. He is currently a free-lance trumpet player performing in many regional ensembles, including the Las Cruces Symphony, El Paso Opera, and the Juarez Symphony. Mr. Rodriguez is the trumpet player in "Windy City" a "Chicago" tribute band out of El Paso, TX.

Renewable Energy Classes at NMSU-A Continuing Education
Fall 2017

DC Circuits FA17-30 Aug 16-Dec 8 6:30-8:35pm \$328
 Course begins with the basics of electricity and DC circuits. Includes categorization of material properties within conductors, semiconductors, and insulators. Gradual progression tackles more complex topics like DC circuit analysis of series and parallel circuits, including Kirchhoff's laws, Thevenin's & Norton's theorems, and superposition. Finally, DC combination circuits, magnetism and electromagnetism, generators and motors are covered. Emphasis on safety throughout.

PV Power Generation FA17-31 Aug 16-Dec 8 8:00am-12:50pm \$246
 A study of photo voltaic design basics, photo voltaic (PV) Cells, modules, and system components; electrical circuits; grid-tied/grid-interactive PV system design and sizing for use on homes; solar electric products and applications; and understanding energy conversion from sunlight to electricity, and working with solar conversion equipment.

OSHA 10 HR HZRD IDEN FA17-32 Aug 16-Oct 9 3-4:35pm \$102
 Intended for entry-level participants to provide instruction on a variety of construction safety and health standards. Topics include Introduction to OSHA, Electrical, Ladder, Excavation, Scaffold, and Forklift Hazards, Fall Protection, Materials Handling, Personnel Protective Equipment and Confined Space Entry Hazards. Meets OSHA 10-Hour Requirements.

Wind Power Gen FA17-33 Aug 16-Dec 8 5-6:40pm \$246
 Course covers wind turbine module descriptions and functions and wind system installation, operation, and troubleshooting. Additional topics include wind energy harvesting and the conversion process from the generator system to electricity.

Roof MTRLS & MTHDS FA17-34 Oct 10-Dec 8 5-8:10pm \$246
 Covers application techniques and estimation of asphalt and wood roofing products and accessories including gutters and flashing. Presents roof penetration, roof loading issues, and energy-system installation requirements for mounting photo voltaic or solar thermal systems.

Building Audit Fund FA17-35 Oct 10-Dec 8 5-8:10pm \$246
 Course provides information on how to locate air leaks and identify heat losses or gains through specific testing. Students will learn how to inspect and evaluate building envelopes, mechanical systems, and ventilation systems to determine the safety and energy consumption for each system.

NABCEP Exam Review FA17-36 Oct 10-Dec 8 1-2:35pm \$82
 Course presents knowledge, key terms, and concepts of photovoltaic systems and solar hot water systems as related to the NABCEP Entry-level exam. This exam is for those wanting to enter the workforce in either solar thermal or solar PV. Scheduling and taking the exam is the responsibility of the student.

Come Learn with Pete Eidenbach

New Mexico State University Alamogordo Continuing Education
Presents

The History of NM Maps **PART #1**

From Antiquity to the 20th Century

with Pete Eidenbach

Ancient Rome was the first society to build and map vehicular road networks. When the Spanish began to explore and conquer the Southwest in the 16th century, maps of the region began to appear sporadically. Railroads, which encouraged westward settlement, extended the expansion of road networks from coast to coast.

Part #1: \$40; Friday, October 6th @ 6-7pm

The History of NM Maps **PART #2**

Impact of Bicycles & Automobiles on New Mexico's Roads & Maps

The invention of the bicycle and then the automobile radically transformed long-distance travel & the landscape, which folks traversed. During the 20th century, our country transformed from a rural farm-and-ranch land into a gridded suburban shopping mall. Explore this unique era through its most ubiquitous icon; the free oil road map, which has disappeared, pre-figuring the demise of its sources, the private, gasoline engine automobile.

Part #2: \$30 (unless taken with Part #1); Saturday, November 10th @ 6-7pm
