

# Campus Connection

Volume 3, Issue 16

October 10, 2017

## From the President's Office

Dear Campus Community,

The day has finally arrived; we have food back on our campus. Please stop by the newly renovated Student Center and enjoy the remodel and wonderful food options made available by "Hitch-n-Post on the Hill". At some point, most likely in November, we will have an official ribbon cutting and formal celebration for the opening of the new eatery. But for now, come by and enjoy breakfast, lunch, or both!

*Being a part of the process is the basis for shared governance and demonstrates a caring attitude about who we are and, more importantly, what we want to become.*

The "Lady of the Mountain Run" Committee and First National Bank Alamosordo have committed the proceeds from the race over the next year or two to not only student support by way of scholarships, but also to direct some of the revenue into an account that will be endowed. This is a wonderful advancement for the race and means that scholarships will be generated for NMSU-A in perpetuity as interest from the principal of the endowment. The "Lady of the Mountain Run" will direct \$12,500 to the effort over the next several years, and the NMSU Foundation will match that amount dollar for dollar for a \$25,000 endowment. This is a fantastic opportunity for NMSU-A. Thank you to Dr. Juan Garcia for working on this project and for writing the agreement. <http://www.ladyofthemountainrun.com/>

As we incorporate the suggestions for the restructure of our campus committees, I encourage faculty and staff to participate in the process by joining a committee that you feel would benefit the students and college. Being a part of the process is the basis for shared governance and demonstrates a caring attitude about who we are and, more importantly, what we want to become. For those of you who are already serving the institution by your participation on committees, thank you.

I remind everyone again that the time to recruit students for fall semester 2018 is now. Although our enrollment has seemed to stabilize, letting our community know that we have excellent programs that will lead to jobs or further education is still very important to the health of our institution. Please spread the good news.

Discover Your College!  
Discover Your Future!

Ken Van Winkle  
President  
New Mexico State University Alamosordo

## AGGIE CUPBOARD ALAMOGORDO

On Monday, November 6th, the Aggie Cupboard Team will host another community meal. The Team hopes to develop the resources, both food and volunteers, to commit to providing one community meal on the second Monday of each month.

In terms of resources, the food for this meal is not generally a problem, as food is donated by the Hunger Coalition and by the generosity of the faculty and staff at NMSU-A.

*What the Aggie Cupboard needs to ensure this commitment is a strong volunteer base. **We need this base to come from NMSU-A faculty and staff.***

There are a lot of ways faculty and staff can get involved.

We can always use a cooking team. This is by far the largest time commitment. Volunteer cooks generally help plan the meal based on the food provided by the Hunger Coalition, and they need to arrive at the church (New Beginnings, 817 Scenic Dr.) between 3:00 and 3:30 p.m. If you are interested in being part of the cooking team, contact Greg Hillis (ghillis@nmsu.edu) or Kathy Roark-Diehl (kathyrd@nmsu.edu). We can provide more details on how the meal preparation for 150 people magically happens.

We understand that this time frame is what eliminates many of our campus community from participating. Here are other ways you can volunteer:

Come around 4:30 or 5:00 to help serve the meal.  
Come after 5:30 to help clean up.  
Just come and enjoy the meal!

Food service begins at 5:00, but anyone who shows up between 5:00 and 6:00 is served a meal. Why is coming to the meal and eating helpful? Many of the community members attending a community meal bring their children, some are between jobs, and others are looking for opportunities for self-improvement and ways to change their lives.

Just being yourselves can be good for the guests at the meal and good for our NMSU-A community. Talking to folks, getting to know them, and finding out about their hopes and dreams can begin a life-changing conversation. Sharing how a college education has changed your own life can bring hope and inspiration to individuals who have not seen education as a viable option in their own lives. We at the Aggie Pantry hope to build relationships between members of our community and the college, as we see this as the true mission of the *community* part of community college.

Thank you!!  
--Aggie Cupboard Team

## Did you know

**... that you must apply for your degree at the beginning of the semester in which you complete degree requirements?**

According to the NMSU-A Course Catalog, “degree candidates are required to file an Application for Degree or Application for Certificate for each degree or certificate sought” (p. 35). This means that when you are registering for the last classes that meet your degree requirements, you must tell us you are there. Filing a degree application is the way to communicate with us that you are ready to graduate with your degree.

There are no fees if you submit your application before the deadline. The deadlines for filing degree/certificate applications are found on the Academic Calendar located at [nmsua.edu](http://nmsua.edu). The application form to apply for your degree is available online through your MyNMSU website.

To learn more, read the “Filing Notice of Degree Candidacy” section on page 35 of the Course Catalog. Or, stop by Student Services and visit with an Academic Advisor.

## FAFSA Information

### FAFSA Information

On Sept. 14, 2015, President Obama announced significant changes to the *Free Application for Federal Student Aid* (FAFSA®) process that will impact millions of students. Starting with the 2017-18 application cycle, the following changes will be put in place:

- **Students will be able to submit a FAFSA® earlier.** Students will be able to file a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA earlier every year. (There is NO CHANGE to the 2016–17 schedule. The FAFSA became available January 1 as in previous years.)
- **Students will use earlier income information.** Students will be able to file a 2018-19 FAFSA as early as Oct. 1, 2017. On the 2018-19 FAFSA, students (and parents, as appropriate) will report their 2016 income information, rather than their 2017 income information.

## Great Information from NMSU-A Advising

### Did You Know?

NMSU Career Services maintains an online system, called AggieCAREER Manager, for employers to post job openings and for students and alumni to search job postings, store resumes and cover letters, and apply for job postings.

Through AggieCAREER Manager, students can access CareerBeam which contains resources for writing resumes and cover letters and preparing for interviews along with how to conduct a job search.

A link to AggieCAREER Manager and the instructions for creating a student account are on the Career Center page. The Career Center web page can be accessed through the Students tab on the NMSU-A home page under the Student Services section. The instructions on how to schedule an appointment with the Career Advisor, either in-person or virtual, phone or email can be found here. <https://www.myinterfase.com/nmsu/Account/LogOn>

From the Career Center page, students can also access CHOICES 360 which contains an interest profiler to help students determine what their interests are and identify careers associated with those interests. CHOICES 360 has many other tools to assist students with career preparation, job searching, understanding financial aid, and more.

On the Career Center page is a link to the NMSU Career TV YouTube channel with career related videos.

For more information stop by Student Services or call 439-3726.

Keep checking in this area. We will add scholarships as soon we find out about them.

## Facilities

Listed below is a rundown of the recycling efforts the NMSU-A Physical Plant Department makes.

We collect plastic, paper, cardboard, aluminum, T12 bulbs, large batteries and HP toner, all of which gets turned over to different recycling venues. We also repurpose office furniture around campus if it is in usable condition. Any furniture or equipment that is in usable condition but unwanted by our faculty and staff gets taken to NMSU Las Cruces and turned into the Property Office. They sell it over the Public Surplus web site.

We have built-in recycling bins in both the Science Center and Tays for paper, plastic, and aluminum. We have portable bins in ProTech, Faculty Office, PPD, and Rohovec for plastic and aluminum.

We removed the ones from the Student Center because it has been unoccupied for a year but will put some portable collection containers in shortly now that we are opening.

We removed a few portable collection containers from some indoor areas because they were rarely used or because folks would mix the cans and the plastic bottles together in one container and we cannot turn them in like that.

We have removed all the outside bins due to bees and roaches. These work better outside during the winter months.

We have the red non-sensitive paper bins in all buildings.

Plastic, paper, and cardboard are taken to the recycling trailer by the mall. Cans are taken to Basin Pipe and Metal.

T12 bulbs and batteries are taken to Las Cruces campus.

## Townsend Library

The Townsend Library has been hosting an exhibit by local artist and personality, Mr. Luis Orozco. His primary work, La Primavera, painted in the Renaissance style, remains on display. He has brought in several other works to replace the smaller scenes from La Primavera that were here. Mr. Orozco earned a BFA from West Texas A & M in Studio Art. Mr. Orozco was granted a coveted place as a copyist at the National Gallery of Art in Washington D.C. His original intent, he says, was only to copy four paintings by Sandro Botticelli. Happily for us, he ultimately copied 15 additional works by other artists, also in the Early Renaissance period.

Top painting:  
"Young Man Wearing a Turban"  
By Luis Orozco 2016, after  
Florentine 15th century Painter

Bottom painting:  
"The Adoration of the Magi"  
By Luis Orozco 2017, after  
Sandro Botticelli c. 1478-80
