

FACTBOOK 2015

NEW MEXICO STATE UNIVERSITY ALAMOGORDO

2015 FACTBOOK

The NMSU Alamogordo 2015 Factbook is produced by the Office of Institutional Research (IR) on behalf of the entire college community, and is intended to provide the user with a single source of accurate information about historical student enrollment and institutional data. This and previous years' Factbooks can be found on our website: < <http://nmsua.edu/ir/nmsu-a-factbook/>>.

The 2015 Factbook continues publication of basic institutional information that was begun by previous NMSU-A institutional research offices more than 20 years ago. This year many tables of information that did not seem to be of interest to most individuals was eliminated and race/ethnicity information was changed to reflect the new federal guidelines.

This publication is the result of the ongoing work of many people in addition to the IR staff, originating with students and employees throughout the NMSU system who fill-out the forms and enter the information into University data systems. NMSU-A personnel in Student Services and the Business Office daily enter much of this information, always with a high degree of accuracy and reliability.

We hope the Factbook information is useful for the many people involved with NMSU-A, including faculty, current students, prospective students, parents, law-makers, community leaders, state officials, administrators, and anyone who is interested in what we do at NMSU Alamogordo. Please let us know if this information meets your needs or can be improved in any way. We encourage all comments or questions.

Special thanks to Beth Hillis for this year's cover photo.
