

Wireless Access Instructions

YOU MUST BE A CURRENTLY ENROLLED STUDENT.

You must know how to work your devices wireless settings. Devices have settings in different locations and we will not assist you in locating these settings. You must also know your my.nmsu user name and password, if you do not know you will have to call the NMSU help desk at 646-1840.

- From your device connect to the wireless alamo-open.
- Open your browser and type in netreg or netreg.nmsu.edu in the address line.
- Click on I ACCEPT then click on AUTHORIZED USER.

- I ACCEPT** the terms of use for the New Mexico State University Network
- I DO NOT ACCEPT** the terms of use for the New Mexico State University Network
