## 2003 FACTBOOK

The NMSU at Alamogordo 2003 Factbook is produced by the Office of Institutional Research and Assessment (OIRA) on behalf of the entire college community, and is intended to provide the user with a single source of accurate information about historical student enrollment and institutional data. The information also appears on an accompanying website:

<http://alamo.nmsu.edu/~factbook/index.html>.

The 2003 Factbook continues publication of basic institutional information that was begun by previous NMSU-A institutional research offices more than a decade ago. Space limitations have prompted us to limit the number of years of information we publish. Most of the data included in the 2003 Factbook goes back at least 10 years. If earlier information is needed, please contact us.

This publication is the result of the ongoing work of many people in addition to the OIRA staff, originating with students and employees throughout the NMSU system who fill-out the forms and enter the information into the University data system. NMSU-A personnel at Student Services and the Budget Office daily enter much of this information, always with a high degree of accuracy and reliability.

This year's publication is largely the result of the work of Greg Hillis who joined the OIRA staff as a part-timer in March. Greg has brought his considerable programming and database management skills to bear on this project with the result that the OIRA also now has a fully verified set of student and course data that goes back to the 1980s. The consistency and high reliability of the long-term data has been due to the work of Joe Downey, a Retired Senior Volunteer, who devotes many hours each week helping respond to the requests for information the OIRA receives from both within the institution and from the larger community we serve. Joe continues to help the OIRA even though he now spends September through April in Tampa, Florida.

We hope the many people involved with NMSU-A find the Factbook information useful, including faculty, current students, prospective students, parents, law-makers, community leaders, state officials, administrators, and anyone who is interested in this part of the world and what we do at NMSU-Alamogordo. Please let us know if this information, in its print or web versions, meets your needs or can be improved in any way. We encourage all comments or questions.

D. Bruce Martin, Ph.D.  
Coordinator of Institutional Research and Assessment  
September, 2003
