New Mexico State University Alamosordo  
Catalog Year 2020-2021

## NOTES

**A grade of C- or better is required in all courses fulfilling General Education (G) requirements.**

A full list of General Education (G) courses can be found in the General Information section of the NMSU-A Catalog.

Recommended Second Language Elective: Almost all College of Arts and Sciences majors require at least two semesters of a second language; some require four semesters. NMSU recommends that students take their language requirements as soon as possible and in sequence. See your advisor or the NMSU catalog for exceptions to the language requirements.

Plan electives to meet other requirements for your Bachelor degree, such as specific requirements within the major.

*Elective credit may vary based on General Education course selection, second language requirements, prerequisites, dual credit, AP credit, double majors and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 60 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.*
