

## Gainful Employment Disclosure – 2019

**Program Name:** Automotive Diagnostic Specialist-Alamogordo Campus

**This program is designed to be completed in 2 years.**

*Completion time is based on taking 12 credits per semester, fall and spring semesters only.*

**This program will cost in-district residents \$3,115 if completed within normal time. It will cost out-of-state residents \$6,565.**

*These costs include tuition, required fees, any additional required course fees, and any book and supply costs. Any courses taken online will have an additional \$25 per credit hour charge. There may be additional costs for living expenses. These costs used the Fall 2019 posted tuition and fee rates (see <http://uar.nmsu.edu/tuition-rates/>) and were accurate at the time of posting, but may have changed.*

**Median Debt of 2017-18 Normal Time Completers:** Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

**New Mexico does not have licensure requirements for this profession.**

*Only the states in New Mexico State University-Alamogordo Campus' metropolitan statistical area (MSA) are listed.*
