

New Mexico State University Alamogordo

Attention: Military Personnel
Active Duty, Spouses/Dependents, Veterans

Military Students will be assessed fees beginning with registration for Summer 2020.

As announced last fall, New Mexico State University Alamogordo has completed the pilot program approved by the NMSU system for Holloman Air Force Base to remove student fees for the military. Data collected during the pilot program did not lead to a permanent change in the fee structure for NMSU-A. Therefore, student fees used to support NMSU-A information technology and infrastructure will once again be assessed to all students beginning with the Summer 2020 sessions.

The NMSU-A campus is proud to be a part of our local military community and our goal is to continue to provide the men and women of Holloman Air Force Base with higher education opportunity.

Sincerely,

Ken Van Winkle

President
New Mexico State University Alamogordo
