Requirements for Professional Development Funding:

How will this support the NMSU-A Strategic Plan? (Check one or more below.)

- 1) Professional development that will give the recipient the ability to provide students with the knowledge to succeed in the workforce and/or establish a foundation for further education.
- 2) Professional development that will give the recipient the ability to a) foster engagement with the local community in activities that support the mission of the community college and serve the needs of the local citizens; and/or b) offer appropriate courses to enrich the lives of our students and, in turn, supply the region with a highly-trained workforce.
- 3) Professional development that will give the recipient the ability to help generate external funding.
- 4) Professional development that will give the recipient the ability to discover and disseminate the benefits of diverse cultures, lifestyles and faiths that define our community college membership.

How will the individual share this opportunity with the campus?

Campus presentation Share with department Other training
